Continuing Teacher Leader Education
Summer 2019

Dear Colleagues,

We are offering workshops throughout the summer to help you meet your professional learning goals. This catalog outlines the summer workshops offered by the OU BOCES Division of Instructional Support Services (ISS). As always, the Continuing Teacher Leader Education (CTLE) courses focus on professional learning and skill development for administrators, teachers, teaching assistants, leaders, social workers, counselors, and other professionals.

Our theme for professional learning across 2019-2020 is Social-Emotional Learning (SEL). In order to get started with SEL, we are offering a 2-day micro-credential certificate in SEL in partnership with Rutgers University on July 10th and July 12th.

During the summer session we will offer some of our 100% online workshops which include: Next Generation NYS Learning Standards for Language Arts, Science, Computer-Based Testing, and Developmentally Appropriate Practice. We will also be offering an online DASA workshop as well as a Beyond “Tum and Talk” workshop.

In addition to our online workshops, we are hosting a variety of our live workshops, graduate courses, micro-credential series, and webinars which support continuing teacher/leader education. We are offering a 2-day workshop titled: Redesigning a School Counseling Program on July 8th and July 9th, taught by Dr. Deborah Hardy. If you are interested in earning TESOL graduate credits, please be aware we are offering Linguistics and English Grammar. It is possible to earn six graduate credits over the summer here in Goshen.

Many of these courses are centered on integrating technology into the classroom, hands-on methods of learning in the classroom, and NYS Next Generation Standards for many subjects and grade levels. Our live and online professional learning experiences earn CTLE credits as we are an approved CTLE vendor. Our New York State CTLE vendor number is 007.

Keep in mind, as the start of the school year approaches, we will also be offering our 3-day Back to School Google Bootcamp! Be sure to register so you can boost your Google skills and learn how to integrate Google’s Core Apps into your classroom come September!

If you have any questions or difficulty registering for any of the CTLE courses, please contact Elena Barnes at 845-781-4363, ext. 10708 (elena.barnes@ouboces.org) or Maria Goodrich at 845-781-4363, ext. I 0730 (maria.goodrich@ouboces.org). We hope you enjoy your summer and look forward to seeing you at one of our upcoming workshops!

Sincerely,

Diane E. Lang, Ph.D.

Dates: 7/11/2019
Meeting Times: 7/11/19 - 8:30 am to 3:00 pm
Location: Carl Onken Conference Center - Room B/C

This training is designed to fulfill the harassment, bullying, and discrimination prevention and intervention training required for certification/licensure under the Dignity for All Students Act (The Dignity Act). The Dignity Act requires, among other things, school districts to create policies and guidelines to be used in school training programs to discourage the development of discrimination or harassment and to enable employees to prevent and respond to discrimination or harassment. This training will address the social patterns of harassment, bullying and discrimination, marginalization and microaggressions, including but not limited to those acts based on a person's actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender or sex. This training addresses these issues from a proactive - rather than a reactive - position and focuses on creating an affirming educational environment for all students through addressing school culture and climate. It will also cover the identification and mitigation of harassment, bullying and discrimination; and strategies for effectively addressing problems of exclusion, bias and aggression in educational settings. Successful completion of this course will meet the certification requirements in 14(5) of Chapter 102 of the Laws of 2012. (This is a NYSED Continuing Teacher Leader Education (CTLE) course. It may be used for the 100 hour requirement.) You must pay for the course two weeks prior to attending. You will not receive certification for this course until payment has been received. Mail a check made payable to Orange-Ulster BOCES in the amount of $100. to OU BOCES, Instructional Support Services, 4 Harriman Drive, Goshen, NY 10924. If your district is paying for the workshop, a Purchase Order should be sent to ISS via fax 845-774-7323. You may pay with cash the day of the workshop. All payments with the exception of cash must be received two weeks prior to the date of the workshop.

Conversational Solfege™ - Beginning Music Literacy
Program: Special Ed PLC
Audience: Music Educators
Dates: 7/15/2019 to 7/19/2019
Meeting Times: 7/15/19 to 7/19/19 - 8:30 am to 3:30 pm
Location: Minisink Valley CSD

Conversational Solfege™ is a pedagogical method created by Dr. John Feierabend that develops musical literacy. Conversational Solfege™ is for children who have already developed their tuneful, beautiful, and artful skills and are ready to develop a deeper understanding of rhythm and melody. Conversational Solfege™ develops an understanding of music through the use of rhythm syllables and solfege syllables at a conversational level, and then gradually evolves into traditional notation. Through carefully sequenced activities, Conversational Solfege™ enables students to joyfully assimilate the skills and content necessary to be musically literate. Patterns, folk songs, poetry, rhymes and classical music are the primary source materials that are used to develop those musical skills. (Part 154 ELL issues will be covered. This course may be used for the Part 154/ELL requirement NYSED CTLE.) (Can be used for credit in the New Teacher Series/Professionals in Education Program). Writing to Address Trauma
Program: McKinney-Vento
Audience: Teachers, Administrators, Social Workers
Dates: 7/15/2019
Meeting Times: 7/15/19 - 8:30 am to 11:30 am
Location: Arden Hill - ISS Room 156

How can we help our students impacted by trauma? Children come to your classroom with a whole host of issues that can impede academic and social-emotional growth. There are many situations which can be traumatizing to students such as living in a home with a drug addicted parent, an angry parent with alcoholism, or untreated mental illness. We will spend a brief amount of time exploring ACEs (adverse childhood experiences) and the biological/neurological impact on the developing brain and the behaviors you may observe in the classroom and how to address them. The majority of the day will be spent experimenting with various writing prompts, techniques, and exercises to address trauma. (Can be used for credit in the New Teacher Series/Professionals in Education Program). Dates: 7/16/2019
Meeting Times: 7/16/19 - 8:30 am to 3:30 pm
Location: Arden Hill - ISS Room 141

Eleven percent of our student population is said to have an ADHD/ADD diagnosis. How can we help students handle the challenges associated with this disorder? There are strategies which can be put into place to help a disorganized child become more organized, complete his or her work successfully, and make sure work is handed in on time. During this full day workshop, we will spend a portion of the day discussing typical characteristics and challenges of a student with ADHD. We will also spend time exploring strategies that can be implemented to help these students, while leading them toward independence and success that will benefit them through school and beyond. (This is a NYSED Continuing Teacher Leader Education (CTLE) course. It may be used for the 100 hour requirement.)

Developmentally Appropriate Practice through the Lens of the New York State Teaching and Learning Standards - Online
Program: School Improvement
Audience: All Teachers and Administrators
Dates: 7/22/2019 to 8/7/2019
Meeting Times: 7/22/19 to 8/07/19 - Online
Location: Online, 6 Hours, Self-paced

What is developmentally appropriate practice? What can we reasonably expect a student to know and be able to do at each stage of their educational career? And are our current learning standards aligned with these expectations? We have all heard the echo refrained about the Common Core standards showing a lack of developmental appropriateness. With the addition of the Next Generation Learning Standards, New York State has sought to address this concern and consider what is developmentally appropriate at each level. This course will examine the evolution of learning standards (K-12) in New York State, how they have changed, and consider the intersection of the standards with what IS developmentally appropriate at all levels. This six hour CTLE course consists of 7 modules: .Module 1 Why it Matters, Module 2 Theories of Development Module 3 What is Developmentally Appropriate Practice (DAP, Module 4 The Evolution of Standards in New York State, Module 5 Developmentally Appropriate Practice in the Current Standards, Module 6 Bringing it All Together: Five Classroom Practices that Incorporate DAP, Module 7 Conclusion (course trailer can be viewed at: https://youtu.be/Pdb3aEyOWSY). Developmentally Appropriate Practice through the Lens of the New York State Teaching and Learning Standards - Online

Program: Assessment PD On-line
Audience: All Teachers and Administrators
Dates: 7/22/2019 to 8/7/2019
Meeting Times: 7/22/19 to 8/07/19 - Online
Location: Online, 6 Hours, Self-paced

What is developmentally appropriate practice? What can we reasonably expect a student to know and be able to do at each stage of their educational career? And are our current learning standards aligned with these expectations? We have all heard the echo refrained about the Common Core standards showing a lack of developmental appropriateness. With the addition of the Next Generation Learning Standards, New York State has sought to address this concern and consider what is developmentally appropriate at each level. This course will examine the evolution of learning standards (K-12) in New York State, how they have changed, and consider the intersection of the standards with what IS developmentally appropriate at all levels. This six hour CTLE course consists of 7 modules: Module 1 Why it Matters, Module 2 Theories of Development Module 3 What is Developmentally Appropriate Practice (DAP, Module 4 The Evolution of Standards in New York State, Module 5 Developmentally Appropriate Practice in the Current Standards, Module 6 Bringing it All Together: Five Classroom Practices that Incorporate DAP, Module 7 Conclusion (course trailer can be viewed at: https://youtu.be/Pdb3aEyOWSY). Toolkit for Engaging and Supporting ELLs in Science: Learn and Apply (PM Session)
Program: Title III
Dates: 7/25/2019
Meeting Times: 7/25/19 - 12:30 pm to 3:00 pm
Location: Arden Hill - ISS Room 119

Now that we have spent the morning session learning about the scaffolds available for making science content more accessible, let's apply our learning. We'll begin by learning, as a group, a few highly-engaging and culturally relevant science topics. These topics may serve as a springboard to inspire science interest for ELLs. Then, we will work collaboratively to update/adjust either existing science lessons or create brand new lessons that reach all types of learners. By the end of this session, participants will be able to effectively apply the AM "Toolkit" techniques and scaffolds into their own science classrooms. In order to attend this PM workshop, participants must attend the morning "Strategies" workshop. (Part 154 ELL issues will be covered. This course may be used for the Part 154/ELL requirement NYSED CTLE.) (Can be used for credit in the New Teacher Series/Professionals in Education Program.) Beyond Turn and Talk: Activities to Get All Students Speaking and Listening in the Classroom
Program: Title III
Audience: Teachers (all levels) and Teaching Assistants
Dates: 7/29/2019 to 8/12/2019
Meeting Times: 7/29 - 8/12/19 - Online
Location: Online, 6 Hours, Self-paced

Active engagement of students takes a dominant role in both the teacher evaluation rubrics, as well as the Next Generation Learning Standards. But how do we get past "turn and talk" to get all students accountably speaking and listening in the classroom, and in the broader community setting? In this course you will learn about and consider ways to build active speaking and listening skills in your students. The ability to listen and learn is often assumed but many engaging strategies can be used to teach students to speak and listen with sophistication. This course will follow the progression of the NYS Teaching Standards to explore how student engagement is addressed. This course is entirely online and self-paced, and may be accessed from anywhere with an internet connection and a connected device (keyboard recommended). (Part 154 ELL issues will be covered. This course may be used for the Part 154/ELL requirement NYSED CTLE.) (Can be used for credit in the New Teacher Series/Professionals in Education Program). Integrating Makey Makey's into the Classroom
Program: Model Schools
Audience: K-6 Educators
Dates: 7/30/2019
Meeting Times: 7/30/19 - 8:30 am to 11:30 am
Location: Arden Hill - ISS Room 156

Through play and exploration, this workshop will teach you how to incorporate Makey Makey's into your classroom curriculum. The Makey Makey is an electronic invention kit for all ages. This new invention kit allows the user to turn everyday objects into controllers through the creation of a circuit. The participant will be introduced to the Makey Makey itself, how it works and example activities and challenges that can be done using the Makey Makey. These challenges will give the educator ideas on how to engage their students in the design process. It is highly suggested that participants attend the Intro to Storytelling with Scratch workshop as Scratch is the program often used with Makey Makey. Although devices will be available, participants are encouraged to bring their own device. Although there will be devices available, participants are encouraged to bring their own device. Dignity for All Students Act (DASA) 6-Hour Course for Certification
Program: School Improvement
Audience: Educators and Future Educators Seeking Initial or Additional NYSED Certification
Dates: 8/8/2019
Meeting Times: 8/8/19 - 8:30 am to 3:00 pm
Location: Carl Onken Conference Center - Room B/C

This training is designed to fulfill the harassment, bullying, and discrimination prevention and intervention training required for certification/licensure under the Dignity for All Students Act (The Dignity Act). The Dignity Act requires, among other things, school districts to create policies and guidelines to be used in school training programs to discourage the development of discrimination or harassment and to enable employees to prevent and respond to discrimination or harassment. This training will address the social patterns of harassment, bullying and discrimination, marginalization and microaggressions, including but not limited to those acts based on a person’s actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender or sex. This training addresses these issues from a proactive - rather than a reactive - position and focuses on creating an affirming educational environment for all students through addressing school culture and climate. It will also cover the identification and mitigation of harassment, bullying and discrimination; and strategies for effectively addressing problems of exclusion, bias and aggression in educational settings. Successful completion of this course will meet the certification requirements in 14(5) of Chapter 102 of the Laws of 2012. (This is a NYSED Continuing Teacher Leader Education (CTLE) course. It may be used for the 100 hour requirement.) You must pay for the course two weeks prior to attending. You will not receive certification for this course until payment has been received. Mail a check made payable to Orange-Ulster BOCES in the amount of $100 to OU BOCES, Instructional Support Services, 4 Harriman Drive, Goshen, NY 10924. If your district is paying for the workshop, a Purchase Order should be sent to ISS via fax 845-774-7323. You may pay with cash the day of the workshop. All payments with the exception of cash must be received two weeks prior to the date of the workshop.

**Dignity for All Students Act (DASA) 6-Hour Course for Certification**

*Program: School Improvement*

*Audience: Educators and Future Educators Seeking Initial or Additional NYSED Certification*

*Dates: 8/19/2019*

*Meeting Times: 8/19/19 - 8:30 am to 3:00 pm*

*Location: Carl Onken Conference Center - Room B/C*

This training is designed to fulfill the harassment, bullying, and discrimination prevention and intervention training required for certification/licensure under the Dignity for All Students Act (The Dignity Act). The Dignity Act requires, among other things, school districts to create policies and guidelines to be used in school training programs to discourage the development of discrimination or harassment and to enable employees to prevent and respond to discrimination or harassment. This training will address the social patterns of harassment, bullying and discrimination, marginalization and microaggressions, including but not limited to those acts based on a person’s actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender or sex. This training addresses these issues from a proactive - rather than a reactive - position and focuses on creating an affirming educational environment for all students through addressing school culture and climate. It will also cover the identification and mitigation of harassment, bullying and discrimination; and strategies for effectively addressing problems of exclusion, bias and aggression in educational settings. Successful completion of this course will meet the certification requirements in 14(5) of Chapter 102 of the Laws of 2012. (This is a NYSED Continuing Teacher Leader Education (CTLE) course. It may be used for the 100 hour requirement.) You must pay for the course two weeks prior to attending. You will not receive certification for this course until payment has been received. Mail a check made payable to Orange-Ulster BOCES in the amount of $100 to OU BOCES, Instructional Support Services, 4 Harriman Drive, Goshen, NY 10924. If your district is paying for the workshop, a Purchase Order should be sent to ISS via fax 845-774-7323. You may pay with cash the day of the workshop. All payments with the exception of cash must be received two weeks prior to the date of the workshop.

Kickoff the new school year by joining us at our Back to School Google Bootcamp. This 3-day camp is intended to help you boost your Google skills all while exploring ways to enhance pedagogy to better support learning in the digital age. We will take a closer look into several of Google’s Core Apps, which include, but are not limited to, Google Classroom, Drive, Docs, Slides, Sheets, Calendar, Keep and Youtube. We will highlight features that support accessibility and showcase a variety of productivity tools including apps and extensions that provide additional supports to transform teaching and learning. We will also work collaboratively to develop classroom procedures and protocols and evaluate best practices to best support blended learning in a 1:1 [Chromebook] environment. This camp will provide participants with the preparation needed for the Level I Google Certified Educator exam. Participants can take exam on their own at a convenient time. Participants who are interested in attending this course are highly encouraged to bring a Chromebook. If the Chromebook is issued by your district, be sure it is set up to connect to a Wi-Fi outside of your district’s domain. (Part 154 ELL issues will be covered. This course may be used for the Part 154/ELL requirement NYSED CTLE.)(This is a NYSED Continuing Teacher Leader Education (CTLE) course. It may be used for the 100 hour requirement.)

Methodology of Comprehensible Input and Output in Foreign Language Instruction
Program: School Improvement
Audience: Secondary Foreign Language Teachers
Dates: 8/29/2019
Meeting Times: 8/29/19 - 8:30 am to 3:30 pm

In the current paradigm of foreign language instruction, maximizing the use of target language (TL) is pivotal. Meanwhile, the use of TL will have little effectiveness unless it is made comprehensible to learners. This workshop will share hands-on methods on comprehensible input and output for foreign language learners. Firstly, through a spot demonstration, it will present how to implement Personalized Questions and Answers (PQA) to create comprehensible teacher-student interactions, including asking students questions about their daily life by using newly learned vocabularies, and reinforcing the words and sentence patterns by modeling and repetition. Then, it will demonstrate how to, on the basis of students’ interpersonal communication ability, improve their interpretive and presentational abilities as well as promote students interacting with each other in the target language through storytelling and other reading activities. In the end, it will demonstrate the effectiveness of the strategies mentioned above through presenting students’ sample work. Through this workshop, participants will acquire strategies on comprehensible input and output and create a student-centered classroom. (This is a NYSED Continuing Teacher Leader Education (CTLE) course. It may be used for the 100 hour requirement.)
